AIRSTAR
SPIRIT OF FREEDOM

delices range

main features

- > LED lamps
- > Indoor or outdoor use
- > On the floor, on water or hanged from ceiling

why should you have the delices range?

Quick and easy to use : autonomous, resistant, mobile and quiet.

Functional and chic range : whether to decorate, signalize, or to communicate, the Delices fits for all events and all needs. Their multiple shapes, mixed with a refined design, bring a clear added value of differentiation to any kind of event.

A tailored lighting : many sizes and shapes available, branding (vinyl graphics), LEDs lamps, colors remotely controlled thanks to the remote (in option).
