AIRSTAR

SPIRIT OF FREEDOM

twistair range

main features

- > Rotating balloons
- > Helium or air-inflated
- > Balloons Indoor & outdoor use

why should you have the twistair range ?

A state-of-the-art twist technology: Airstar wants to always be at the edge of technology. The rotating system of the Twistair balloons is unique and it sets an extraordinary atmosphere.

A perfect range for renting jobs: Twistair balloons can easily be branded. The eye-catching twist technology enables a great brand awareness that puts logos in the spotlight.

4 unusual shapes: Thanks to their unusual shapes, Twistair balloons bring a clear added value of differentiation to any kind of event.
